

Name: \_\_\_\_\_

# Soccer Time!

**P**eople all over the world love soccer. It's called football in most places.

A soccer game is played on a rectangular field. The field has a goal with a net on each end.

Each team has a goalie. The goalie tries to stop the ball from going in their net. The goalie can touch the ball with their hands. Other players cannot. Instead, they use their feet to kick the ball.

A team scores when the ball goes in the other team's net. This is called a goal. The team with the most goals wins.
