# Apple Trees

**D**id you know apple trees are part of the same family as roses? It's true! Although most people would probably agree apples are tastier.

Apples grow on trees in many parts of the world. They grow best in places with cold winters. States like New York, Ohio, and Washington grow many apple trees.

In spring, apple trees have flowers. These flowers are often white or pink. By fall, the apples are usually ready to pick. Farmers have special machines to help them pick many apples. Some farms let visitors pick their own apples.
