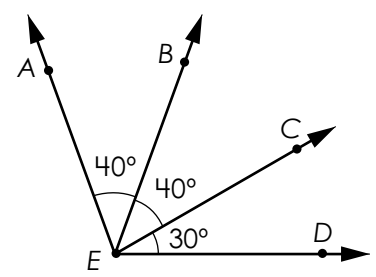
Name: _____

Combining Angles

Find the measure of the angles.

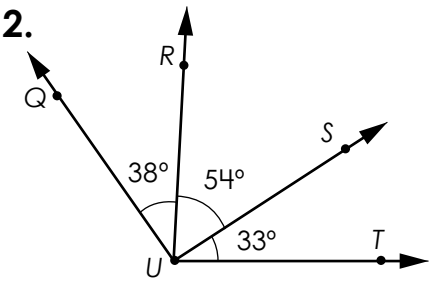
1.



What is the measure of $\angle AEC$?

_____

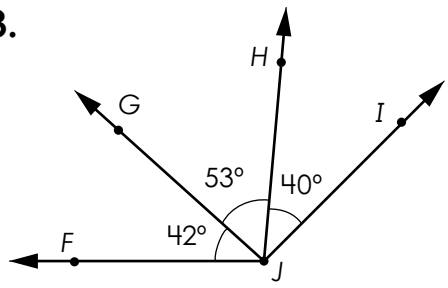
2.



What is the measure of $\angle RUT$?

_____

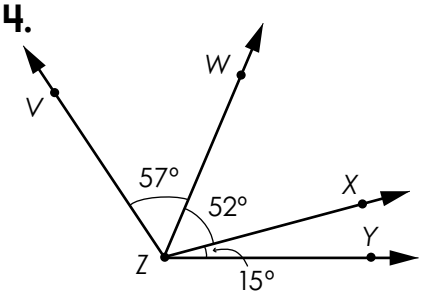
3.



What is the measure of $\angle FJI$?

_____

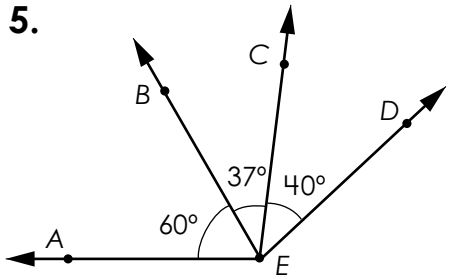
4.



What is the measure of $\angle WZY$?

_____

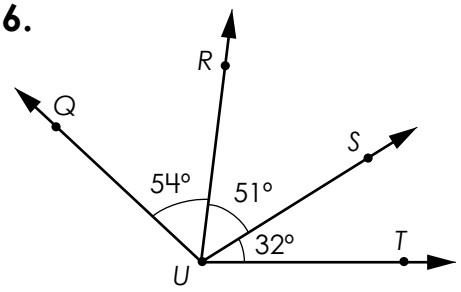
5.



What is the measure of $\angle AED$?

_____

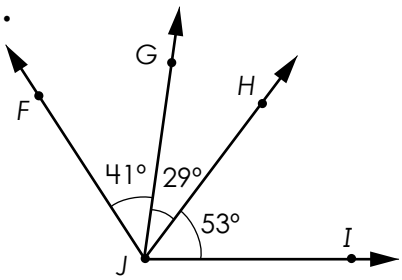
6.



What is the measure of $\angle QUS$?

_____

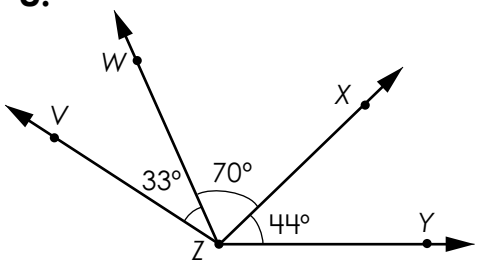
7.



What is the measure of $\angle FJH$?

_____

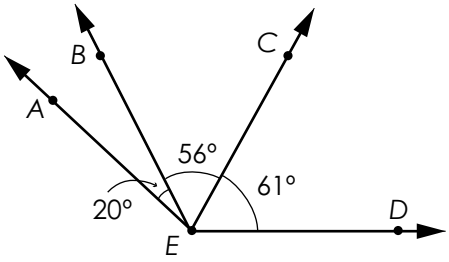
8.



What is the measure of $\angle VZY$?

_____

9.



What is the measure of $\angle BED$?

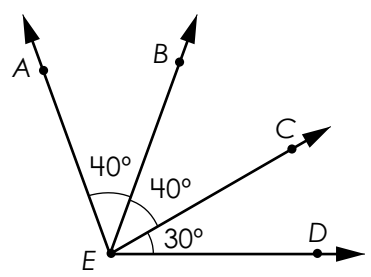
_____

ANSWER KEY

Combining Angles

Find the measure of the angles.

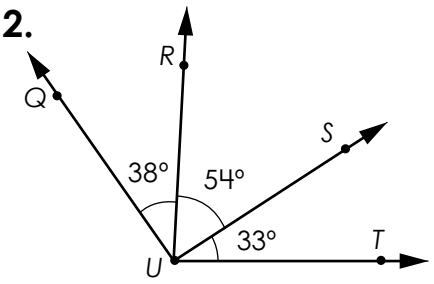
1.



What is the measure of $\angle AEC$?

80°

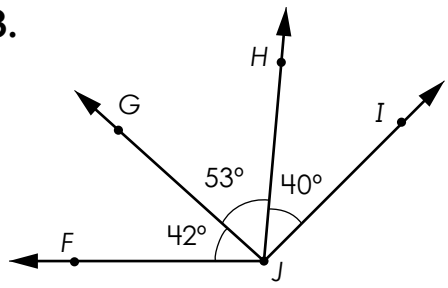
2.



What is the measure of $\angle RUT$?

87°

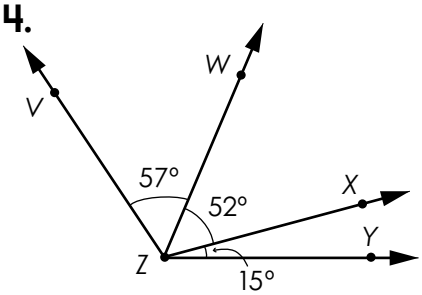
3.



What is the measure of $\angle FJI$?

135°

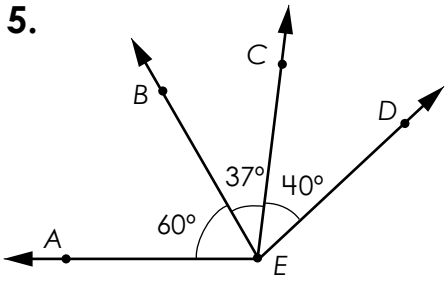
4.



What is the measure of $\angle WZY$?

67°

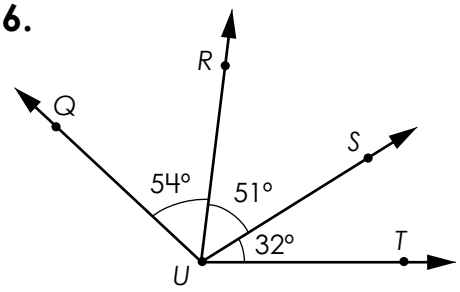
5.



What is the measure of $\angle AED$?

137°

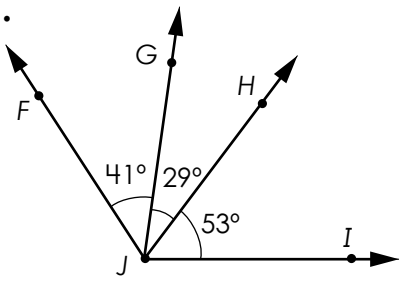
6.



What is the measure of $\angle QUS$?

105°

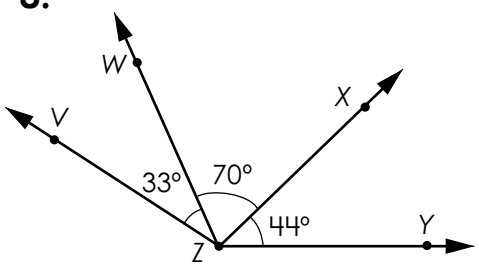
7.



What is the measure of $\angle FJH$?

70°

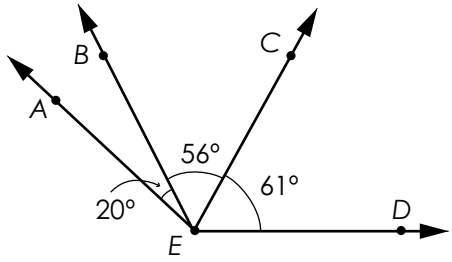
8.



What is the measure of $\angle VZY$?

147°

9.



What is the measure of $\angle BED$?

117°
