

U.S. Branches of Government Activity

Objective: Cultivate social studies knowledge with your students by having them identify the various roles of the branches of government in this fun game that calls for whole-class participation.

Directions: Cut out the printable tree trunk and bare branches and hang them up in an easy-to-display spot in your classroom, such as on your whiteboard.

Cut out the leaves and distribute them evenly among your class.

Students will sort their leaf onto the correct branch of the U.S. Government tree based on whether the government duty on their leaf is performed by the Executive Branch, Legislative Branch, or Judicial Branch.
