

What am I?

Monday's
Clue

Many people like to eat me. I give you protein which helps you stay well and grow.

What am I?

Tuesday's
Clue

I am a legume. That means I am a relative of peas and beans. All of us legumes have pods.

I grow on a plant. Yellow flowers grow on the plant. After a while, parts of the yellow flowers drop to the ground and grow down into the soil. Those flower parts in the soil grow to become me!

C-4

Do you have any nicknames?

I do. I am sometimes called a *groundnut*, a *goober*, or a *gooberpea*.

C-4

What am I?

Friday's
Clue

People use me mostly for food. They eat me like a nut and I am often mixed with almonds, cashews, filberts, and Brazil nuts. These true nuts grow on trees, not in the ground like I do.

What am I?

Bonus
Clue

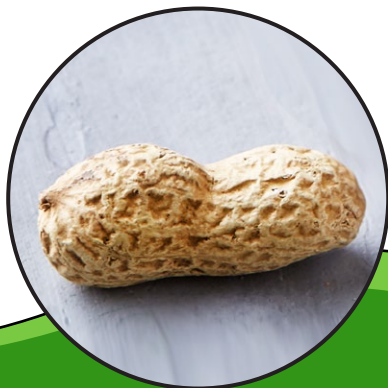

People often make me into a spread. They put me on bread with jelly – mmm, mmm, delicious!
