I got off the bus after school and gave Grandpa a big hug.

“Come inside, Ivy,” he said. “There is a surprise.”

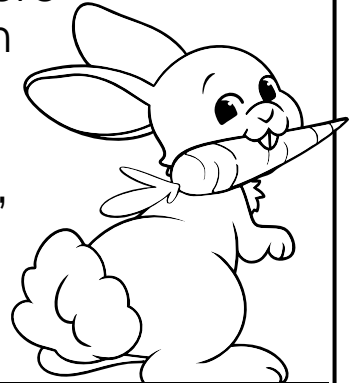

I walked in the living room and saw a big cage. There was lots of hay inside. Then I saw it—a bunny! It was in the corner of the cage eating something orange.

“Is it ours?” I asked.

“Yes,” said Grandpa. “What should we name her?”

I thought for a minute.

“How about Carrot? After the snack she’s having!”
