Math wasn't Kristen's easiest subject. She had to pay close attention for things to make sense. She had to spend more time on math homework than anything else. She had to study hard before every quiz.

"If you keep putting in the work, you'll be finding solutions to difficult problems before you know it," Mrs. Skonecki promised.

So, Kristen kept paying attention, practicing, and studying.

When she got her next math test back, she smiled at the grade on top.

Which word is a synonym for **solutions**?

- a. answers b. ways to avoid c. tricks
