### Stinky Parasite

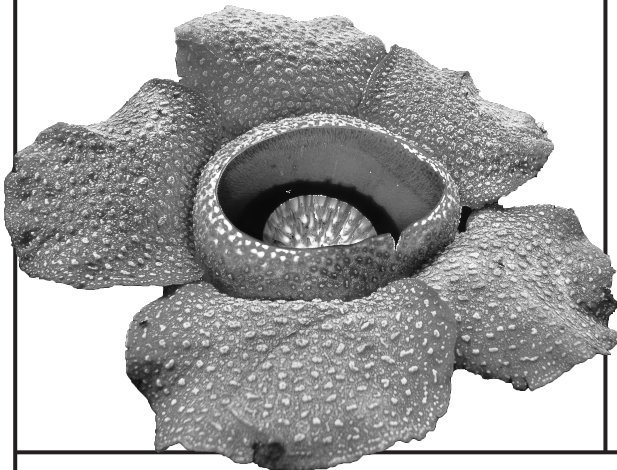

By Lill Pluta

- 1 Rafflesias are a parasite, but I don't sting and I don't bite. Instead, I smell like rotten meat or filthy, grubby, sweaty feet.
- 5 My putrid scent entices flies into a bloom of giant size that's wider than a traffic sign and bursts from hijacked jungle vine. The flies don't grace my dinner plate;
- 10 instead, the insects pollinate.
