

# Menorah

Color the menorah and candles. Cut them out on the dotted lines. Glue one on the menorah during each night of Hanukkah.  
**Note:** The center candle (the *Shamash*) is used to light the eight candles and should be in the menorah before Hanukkah starts.

Be sure to write your name on the back of your menorah. Candles can be glued on to the menorah in any order, but should start on the right and add one new candle each night to the left of the last one.
