# I Have...Who Has...
Short U Words

How to play the game:

- Distribute the cards randomly to your students.
  Some students may get more than one card.

- Select a student to begin by reading their card aloud.
  (example: I have cup. Who has bug?)

- The student who has the card with the correct answer to the previous student's
  "Who Has..." question reads their card aloud.
  (example: I have bug. Who has under?) And so on.

- Students must listen for their turn and try not to break the chain.

- When the chain circles around to the first student, the game is over.
