

Name: _____

Groundhog Day

by BJ Lee

If you see a groundhog
on his special day,
stand silent and watch him.
Don't get in his way.

If he sees his shadow,
he'll flee to his hollow;

and spring will start early,
or so people say.

It's true some folks trust in
the groundhog's prediction,
but what do you think—
is it fact or just fiction?
