About Your Spelling Words

Each of this week's words uses the absorbed prefix *sub-*, meaning *under*; *lower*.

The spelling of an absorbed prefix is determined by the root or base word that is using it. Derived forms experience letter doubling where they are affixed to the rest of the word.

- Write an **N**, **V**, or **A** next to each word to identify it as a noun, verb, or adjective. Put a star next to the words that can be more than one.
