About Your Spelling Words

This week's word list has words with the suffixes -ar, -er, and -or. These are noun suffixes. When added onto a word, they change the meaning to a person doing something.

Registrar means a person who registers something.
Borrower means a person who borrows something.
Inspector means a person who inspects something.

- Underline the suffix in each word. Then write a short definition for each word similar to the ones above on the back of this paper.
